From the Social Secretary:

I have greatly appreciated the many positive and kind comments received from various members of the choir and music staff as to the programme of events that I arranged last year. In order that you may plan your diaries, holidays and lives, I list below the events I aspire to run in 2011. Some are in the same vein as events that we held last year and this follows specific requests from choristers, who particularly enjoyed them. Hopefully, you will feel there is something here to please everyone.

I will ask for help this year to support the organization of events as it can be very demanding and time consuming, so your help would be appreciated. You can also help by:

- Read your e-mail regularly - most communication is via this route.
- Keeping an eye on the notice board in the vestry and signing up, so I know the numbers.
- Paying me promptly please any monies due and avoiding changes.

One last important point. These events are all about Fellowship; designed to bring us together, to share hospitality and have some fun! **However, they are not exclusively for choristers alone!** Members of the choir should be encouraged to join us as should former choristers, members of the Girls Choir and anyone who is interested in joining the choir or St Peters, together with their families and loved ones.

Have a happy 2011, full of the broadest fellowship possible!
